WHY DO WE DO THAT?

Catholic Life Explained:

Why do Catholics Need to go to Mass Every Sunday?

The heart of this instruction that we attend Mass on Sundays goes back to the 3rd Commandment: "Keep Holy the Sabbath Day". Although the Jewish people celebrate the Sabbath on Saturday, the first generations of Christians began to observe the sabbath on Sunday, recognizing how important it is to celebrate the day that Jesus rose from the dead. The Catechism observes, "Sunday extends the celebration of Easter throughout the year...".

The focus of our Sunday should be the celebration of the Eucharist in the Mass. This is our time to be formed by God's Word and nourished at the table of the Lord, becoming prepared to live out and share our faith in the week that follows. Pope John Paul II reminded us that Christians "cannot live their faith or share fully in the life of the Christian community unless they take part regularly in the Sunday Eucharist". This is why the Church teaches us that Sunday Mass is a non-negotiable part of being a Christian.

Beyond being a time of worship, we should also remember that Sunday is intended to be a day of rest. Sunday is given to us as a day to take stock of and enjoy the blessings that God has given us.

Welcome Back Coyotes!!

School opens Wednesday!

Prayers for a safe and successful school year.
