Christmas Gifts

The Christmas Season is an appropriate time to look back at our year and reflect on all the blessings God has bestowed upon us throughout the year. In celebrating Christ's birth, we recognize God's greatest gift to mankind. Our tradition of gift giving during this season stems from God's gift to us. **If you are considering a gift or a donation, in addition to your normal charitable giving during this Season, please consider your parish.**

In addition to a general donation to Corpus Christi, which is always greatly appreciated, there are other opportunities to help our parish and school:

- Donations made to our **Scholarship Granting Organization (SGO)**, the Institute for Quality Education (sgo.i4qed.org), on behalf of Corpus Christi School, helps provide a Catholic education for students whose families may be unable to afford tuition and may also provide an Indiana tax credit to donors. When making a donation to the Institute for Quality Education, please make sure to designate Corpus Christi School as the recipient.
- Another opportunity, if you haven't already responded to the Catholic Parishes Campaign, is to return your pledge card during this season. Donations to the CPC not only support the great mission of the diocese, but also minimize the difference (which the parish must pay) between our goal and the amount pledged by parishioners.

As we approach the end of our calendar year, it is important that we take time to reflect on what God has bestowed upon each of us, not only during this year, but throughout our lifetimes. We are merely stewards of God's gifts to us. Christmas and the year's end are spiritual opportunities to make a return to God for His many blessings.

We wish you a happy, safe, healthy, blessed Christmas season!
