## WHY DO WE DO THAT?

Catholic Life Explained:  
**Calling Priests "Father"**

Yes, we have God alone as our heavenly Father, but there are also those here with us who nurture our faith through their teaching and care. This is why the title of Father has been applied to the church's pastors since the earliest days of the Church. The title is a reminder that priests have a special responsibility to care for, protect, feed, listen to, and nourish those who have been entrusted to them, all after the example of our Father in heaven who never ceases to give us what we truly need. To call a priest "Father" is more than a sign of respect for the office of the priesthood. Our priests are the head of the family that is the Church.

## PARISH NEWS

**HEALING GARDEN**—Three strong people are needed for a small but important job in our Healing Garden pumpkin patch for the next several months. It requires 30-45 min, once a week (at your convenience), and a backpack sprayer. If you have a sprayer but are unable to commit to this task, we could use your sprayer. Paul Reising has an organic non-toxic fungicide formula and needs the pumpkins and gourds sprayed with it weekly for at least a few months. If you are willing to learn how and help make this happen, please call him at 812-480-1787. Let's see how the Lord will bless our efforts! ***"Many Hands Make Light Work"***
