Hello Parishioners. Happy Easter!

If you pay attention to daily Masses right now, you will notice the Gloria and Creed are done every day of the week. It's because Easter Sunday continues for 8 days total. That's because as St. John Paul II said, "We are an Easter people, and Alleluia is our song!" In fact, the Easter "season" is 10 days longer than the 40 days of Lent. Amen! Alleluia!

The letter from me this week is just one giant *Thank You* note. Here it goes!

Thank you to Deacon Tom who has shouldered so much in making our parish operate well amidst changes and a quarantine. You are a pillar of this parish.

Thank you to Diane, Don & Katie for making our Triduum and Easter liturgies so beautiful with your voices and music. So many have said the same thing.

Thank you to our teachers, school staff and parish staff who have made the best of online connections. It isn't the same, but our students and families have loved seeing and hearing from you.

Thank you to the three young women in our parish family who have taken over and done so much for our social media in the past week. There are connections being made because of you.

Thank you to the couple who purchased the beautiful Easter Flowers for the altar.

Thank you to the individual and to the couple who each made unexpected and generous gifts of \$10,000 or more to our parish during Holy Week. Your kindness (and sacrifice) help us tremendously in this time.

Thank you to the young families who sit at home corralling their toddlers or nagging their teenagers to pay attention. You are living out the Gospel *to welcome children as Christ*.

Thank you to our more senior parishioners who have tuned in to not just our parish Masses, but ones from all over the past few weeks. You all are *living* the faith.

Thank you to everyone who has tithed in the past two weeks. And especially those who have increased their giving. That is *sacrifice* for our parish family. We notice it, and we are grateful.

If you want something else to do 50 days of Easter, then I recommend completing this sentence: "My family lives our Catholic faith by _____." Too often, we relegate our faith simply to going to Mass. As important as Mass is, now is the time to discover and habituate ways you live your faith at home.

Peace,

Fr Tyler
